

Fall, 2021

It is a pleasure to share with you this update of accomplishments by our residents and faculty, including research, awards, and fellowships. Please indulge my obvious pride in our residents—keep reading and you'll see why we can all be so proud of them! This update is bi-annual, was deferred last year due to the pandemic. This update is long because our awesome team of radiologists has continued to be very busy doing a whole lot of amazing work through this challenging pandemic!

If you use Facebook please check out and “like” the EVMS Radiology Residents’ Facebook page where you can see nice photos and ongoing news and announcements posted by the residents: www.facebook.com/EVMSRadiology

If you use Twitter please check out and follow the EVMS Radiology Residents’ Twitter page: @EVMSrad or <https://twitter.com/EVMSrad>

If you use Instagram please check out the Radiology Residents’ Instagram page at: <https://www.instagram.com/evmsradiology/>

Our awesome women radiologists have a group doing activities, including attending radiologists, residents and sometimes medical students, the **#Ladiologists!** You can see great photos on FB at: <https://www.facebook.com/EVMS-Ladiologists-104884925380893/>

The social media pages supplement our official EVMS Radiology website: <http://www.evms.edu/radiology/>

Also, FYI! Our annual Residency Education Fund fundraising letter is coming out, too. We now have a link on the EVMS Foundation website dedicated to the Radiology Residency Education Fund. For your convenience, if you prefer to donate online using a credit card rather than mailing a check, the new link url is:
www.evms.edu/giveradiology

RESEARCH AND OTHER SCHOLARLY ACTIVITY (two year update):

(names of EVMS radiology **residents** are in **bold**, our *medical students* are in *italics*, and radiology teaching faculty members are underlined)

- **Yee K, Sherani M, Gariwala V.** Congenital L5 Hemivertebra Presenting as Abdominal Pain. EVMS Research Day, 2020.
- **Wu E, Son S, Gariwala V.** Gastric Gist with Co-Occurrence of Pancreatic Neuroendocrine Tumor. EVMS Research Day, 2020.

Awards:

- **Abhimanyu Aggarwal.** Roentgen Resident/Fellow Research Award 2020, RSNA Research and Education Foundation
- **Courtney Day,** 2019-20 Sentara Fellowship in Improvement Science
- **Taylor Pate,** ARRS/RSNA Introduction to Academic Radiology Program (ITAR, one of ~80 residents in the nation selected), RSNA 2021.

- **Garrison Glavich**, ARRS/RSNA Introduction to Academic Radiology Program (ITAR, one of ~80 residents in the nation selected), RSNA 2020.
- **Garrison Glavich**, AUR Radiology Resident Academic Leadership Program (ARRALD, one of ~35 residents in the nation selected), AUR 2021
- **Veer Gariwala**, VA-ACR Scholarship, RLI Leadership Essentials Program, 2020
- **Daniel O’Neal** and **H. Tyler Klause**, VA-Radiological Society-Resident Research Award-2021 – Third Prize in State
- **Abigail Winz**, Gold Humanism Honor Society, 2021
- **Blair Dodson**, Gold Humanism Honor Society, 2021
- **Garrison Glavich**, Golden Peer (Teacher of the Year) Award, 2020-2021
- **James Vogler**, Golden Peer (Teacher of the Year) Award, 2019-2020
- **James Vogler**, ARRS/RSNA ITAR Program (2019-20)
- **James Vogler**, AUR ARRALD Program (one of ~35 residents in nation selected), 2019-20
- **Courtney Dey**, RSNA Roentgen Resident Research Award, 2020
- Sami Ealey, Hospital Partner of the Year Award, 2020
- Wilfred (Will) Custodio, Hospital Partner of the Year Award, 2021

For a some years now RADPAC has had competitive fundraising campaigns, and our faculty radiologists and the EVMS radiology residents have had great success and made tremendous contributions. Again for yet another year, many successive years, EVMS Radiology residents won the VA Chapter ACR Resident/Fellow Section fundraising campaign. Go EVMS Radiology Residents! The next generation of Radiology leaders in the making!

EVMS Radiology Annual “Unknown Case of the Week” Awards for 2019-21:

Resident: **Richard Bonney, DO (2020-21)** Faculty: Eveleen Oleinik, MD (2020-21)
Courtney Dey, MD (2019-20) Harry Allen, MD, Doug Brown, MD (tied, 2019-20)

EVMS Radiology Residency Golden Apple Teacher of the Year Award:

Robert Post, MD (2020-21)
Christopher O’Neill, MD (2019-20)

UPDATE ON ENDOWED LECTURES, FUNDRAISING, AND RESIDENT EDUCATION SUPPORT:

-Eighth Annual Tapan K. Chaudhuri, MD Endowed Lecture in Nuclear Medicine:

Due to COVID-19 pandemic restrictions, Lester Johnson, MD, PhD, FACR, Professor and Chair of Radiology at EVMS, volunteered at the request of the residents to provide a local visiting professor day of didactics for the EVMS Radiology residents and is honored to be the Chaudhuri Lecturer. The traditional accompanying evening continuing education dinner lecture sponsored by Radiology Services of Hampton Roads (RSHR) for our NM community, especially for our technologists, was not held due to the pandemic.

-Seventh and Eighth Annual Reverend Anne C. Brower, M.D. Lectureships in Musculoskeletal Radiology:

In 2014 we were grieved by the death of the Reverend Anne C. Brower, MD, our esteemed and renowned former EVMS Chair of Radiology and Residency Program Director. A memorial was published in the RSNA News Oct-Nov 2014 (Vol 24 issues 10 & 11).

In honor of Dr. Brower, our Dept. of Radiology raised money to create a permanent endowed lectureship (supporting a Visiting Professor Day for the residents) at EVMS in musculoskeletal radiology. The process of creating the endowment began before Anne's death and pleased her greatly, she expressed much gratitude.

Thanks to support from numerous residency Alumni and current/former Faculty members who remember Dr. Brower, plus admirers from other institutions, our fundraising campaign succeeded in our goal of raising >\$100,000 for this wonderful endowment. Thank you!

The Seventh Annual Brower Lecture was postponed due to pandemic restrictions from the spring of 2020. The event took place live in the fall of 2021 at EVMS--given by an MSK radiologist very well known to EVMS Radiology, Dr. Jennifer Weaver (formerly teaching faculty at EVMS/MCR, now coming to us from the University of New Mexico as Associate Professor and Chief of the MSK Section).

The Eighth Annual Brower Lecture was given by Dr. Peter Van Geertruyden live at EVMS, in the beautiful new Waitzer Hall, in the spring of 2021. Dr. Van Geertruyden is a fellowship trained subspecialist in MSK Radiology and member of the teaching faculty at EVMS/MCR, Assistant Professor of Radiology, and gave a wonderful, well received and attended Brower Lecture as well as Visiting Professor Day for the EVMS and NMCP residents.

-Residency Education Fund:

In 2013 we launched the first annual fundraising campaign asking residency Alumni for support of training for the current residents, which continues as an annual appeal. The Fund is to help with the kinds of expenses not covered by the GME budget, such as the cost of sending residents to attend national meetings to present research.

In the past eight years, four current and former Faculty leaders of the program have offered combined matching funds of at least \$4,000 each year if Alumni donated (\$6,000 last year). I am delighted to report that Alumni (and others) have been donating. All of the matching funds have been used, and in the past eight years we raised a total of \$107,195.00, which includes a new annual record in 2020-21 of \$20,300! Thank you so much! Please consider giving generously to the annual residency education fund—it has a huge positive impact on our residents!

Our residents are aware of this awesome support and are very appreciative, as you can imagine. The Alumni support has been fantastic for the residents, enhancing their research efforts and education (details of how the money helps are in this year's fundraising letter).

NATIONAL AND STATE LEADERSHIP ROLES AND AWARDS:

Residents

Garrison Glavich, MD

- President, VRS (formerly called VACR) RFS, 2021-22
- Vice President, VACR RFS, 2020-21
- Executive Board-Treasurer, A3CR2
- Resident Representative, RSNA RFS

Veer Gariwala, MD

- Vice President, VRS RFS, 2021-22
- Secretary, VACR RFS, 2020-21

Abhi Aggarwal, MD

- President, VACR RFS, 2020-21
- Vice President, VACR RFS 2019-20

H. Tyler Klause, MD

- Communications Officer, VRS RFS, 2021-22

Daniel O'Neal, MD

- Member, SIR RFS Research and Innovation Committee

James Vogler, MD

- SIR Grassroots Leadership Program, 2019-20
- ACR RFS Economic Committee Chair, 2019-20

Courtney Dey, MD

President, VACR RFS, 2019-20

Residency Program Coordinator/Administrator

Marleen Viola, C-TAGME

- National award, the most prestigious given by the Association of Program Coordinators in Radiology (APCR), their 2021 "Program Coordinator of the Year Award". CONGRATULATIONS!

Teaching Faculty

Dr. Peter Van Geertruyden: Fellow of the American College of Radiology (FACR), 2021—CONGRATULATIONS! President, District of Columbia Metropolitan Radiological Society, 2020-21. Member, ACR Military Subcommittee. Faculty, ACR Radiology Leadership Institute.

Dr. Nina Fabiszewski: Fellow of the American College of Radiology (FACR), 2021—CONGRATULATIONS!

Dr. Adam Specht: Councilor, Virginia Radiological Society (VRS, formerly called VC-ACR)

Dr. Lester Johnson: Volunteer, American Board of Radiology (ABR); Member, Society of Chairs of Academic Radiology Departments (SCARD)

Dr. Neil Vachhani: Committee Member, Society of Chairs of Radiology Children's Hospitals (SCORCH)

Dr. Jose Morey: ACR Informatics Advisory Council; Virginia Radiological Society (VRS) Treasurer and Councilor; JACR YPS Advisory Board; MSV Board of Directors; ACR Data Science Institute; NASA iTech Advisory Board; Reviewer for Radiographics, JDI, and IEEE; Board of Directors, WHRO; Board of Directors, Virginia Health Information (VHI)

Dr. John Agola: Virginia State Stroke Task Force

Dr. Harlan Vingan: Manuscript Reviewer, Journal of Vascular and Interventional Radiology; Performance Improvement and Change Committee, Society of Interventional Radiology (SIR); Renal Insufficiency/GU Council, SIR.

OTHER LEADERSHIP AND SERVICE:

Our Radiology Teaching Faculty continue to serve in many varied leadership capacities which are far too numerous to list in this letter. Radiologists fulfill a huge array of responsibilities, in addition to expertise in quality radiologic exams and procedures, including providing all the leadership and management roles in our practices, hospital departments, and subspecialty modalities; serving on dozens of multi-disciplinary committees and conferences across our various hospitals; and serving in leadership roles plus our daily teaching roles related to our trainees including residents, medical students, and fellows. In addition, some substantial leadership roles of which I am aware, at the institutional level extending beyond radiology, include (these include only the residency-related hospitals; and apologies in advance for any missing):

John Agola: Sentara Healthcare Board of Directors; Sentara Healthcare Finance Committee; Sentara Medical Affairs Committee (MAC); SNGH Disaster Planning Committee; Medical Director-SNGH Stroke Service; Sentara Stroke Process Improvement Committee; Sentara Neurosciences HPT/Steering Committees

Adam Specht, FACR: Southside RSO, Board of Managers, Sentara Quality Care Network (SQCN/CIN); Sentara Clinical Operations & Effectiveness Committee

Robert Post: SLH Best Practice Committee; SLH ED Operations Committee

Richard Thomas: Sentara Imaging High Performance Team (HPT); Sentara Clinical Operations & Effectiveness Committee

Lester Johnson, FACR: Chair, Radiation Safety Committee, Sentara Southside Hospitals; Radiologist Member, Sentara Oncology HPT/Cancer Network Committee

Christopher Dobzyniak: SHN Medical Executive Committee; Sentara Physician Lead Imaging HPT Horizontal Leader

John Plemmons: Director of Breast Imaging Services, Sentara Southside Hospitals (now); SHN Medical Executive Committee; Sentara Breast Program Leadership (BPL) Committee; SNGH Research Advisory Council

Susan McKenzie: Bon Secours Maryview Medical Executive Committee; BS Integrated Cancer Network Committee

Nina Fabiszewski: Director of Breast Imaging Services, Sentara Southside Hospitals (outgoing)

Chris O'Neill: SNGH Peer Review Committee

Jason Rothschild: SNGH Best Practice Committee

Lauren Granata: SNGH Best Practice Committee (alternate)

Kathy Byun: Alternate Radiologist Member, Sentara Oncology HPT/Cancer Network Committee

Zeal Patel: Cancer Committee, SNGH; Admissions Committee, EVMS

Krishna Chaudhuri: Trauma System Committee, SNGH

Neil Vachhani: CHKD Medical Executive Committee

Dmitri Samoilov: Bon Secours Maryview Physician Medical Excellence Committee; Bon Secours Maryview Credentials Committee

FACULTY ROLES FOR MEDICAL STUDENTS AND FELLOWS:

EVMS Medical School MS3 Radiology elective, Clerkship Director Dr. Michele Retrouvey. Dr. Retrouvey is also now serving as Assistant Program Director of the Residency.

EVMS Medical School MS4 Radiology elective in Ultrasound, Clerkship Director Dr. Sarah Shaves, FACR. Dr. Shaves also continues to serve as Vice Chair of the Dept. Radiology at EVMS and Associate Program Director of the Residency.

EVMS Medical School MS4 Radiology elective, Clerkship Director Dr. Kathy Byun.

EVMS Medical School MS4 Radiology elective in Interventional Radiology, Clerkship Director Dr. Harlan Vingan. Dr. Vingan also serves as the IR curriculum Director for the residency “Early Specialization in Interventional Radiology” Program (ESIR).

EVMS Medical School MS1 Laboratory/Curriculum in US, Radiology Director Dr. Sarah Shaves, FACR.

EVMS Breast Imaging and Intervention Fellowship, Fellowship Director Dr. John Plemmons.

EVMS Body Radiology Fellowship (newly approved), Fellowship Director Dr. Chris O'Neill.

EVMS Radiology Chief Wellness Officer Dr. Shannon Wilson.

NEW NEWS--EVMS RADIOLOGY RESIDENCY INTERNATIONAL OUTREACH:

Our residency is currently actively investigating starting a RAD-AID International Chapter here at EVMS! Assuming this comes to fruition, our teaching faculty member Dr. Dawn Hrelc has volunteered to be our Chapter Chief, and our residents **Dr. Laura Columbus** and **Dr. Abigail Winz** have volunteered to be the Chapter Vice Chief and Secretary, respectively. We are investigating whether we might be able to partner with and sponsor a radiology residency in Tanzania which could benefit from, for example, our didactic teaching conferences. Possibilities for future collaborations could include international travel between the programs. A distinguished Alum of our residency, **Dr. Arlene Richardson** (Chief Resident, Residency Class of 2012), now the Chief of her hospital's Dept. of Radiology in an underserved area of Chicago, serves as the Medical Director of the program in Tanzania and would serve as our Alumni liaison. More to follow!

FYI--TEACHING FACULTY WEBSITE NEWLY REVISED:

The website of Medical Center Radiologists has been redone and improved very recently, if you're curious you can check out the new website at: <https://www.mcrads.com/>

Many thanks to Drs. Peter Van Geertruyden and Adam Lustig for all their work in leading this effort!

FELLOWSHIPS:

Our residents continue to be extremely successful in obtaining outstanding fellowships in the subspecialty fields of their choice! 3 current PGY5 radiology residents have accepted the following fellowships (or final independent IR year after ESIR) for 2022-23 (and the fourth elected to go directly from residency into practice):

Richard Bonney:	Practice, Tampa, Florida
Rick Lussier:	Body Imaging, University of Virginia
Daniel O'Neal:	Interventional Radiology, University of Pittsburgh
Will Vosburgh:	Body Imaging, Duke University

The 4 members of the Class of 2021 are currently in fellowship (or final IR year after ESIR) for 2021-22:

Abhimanyu (Abhi) Aggarwal:	Body Imaging, Harvard Brigham & Women's Hospital
Hayden Salts:	Body Imaging, Stanford, CA
James Vogler:	Interventional Radiology, University of South Florida
Mark Winter:	Musculoskeletal Radiology, University of Utah

The 4 members of the Class of 2020 completed fellowships (or final IR year after ESIR) in 2021:

R. Hampton Andrews:	Interventional Radiology, UNC Chapel Hill
Jonathan (Yoni) Bulzan:	Musculoskeletal Radiology, Emory
Courtney Dey:	Musculoskeletal Radiology, Duke
Martin Krupa:	Neuroradiology, Harvard Mass General Hospital (2 year program, ends 2022)

The 4 members of the Class of 2019 completed fellowships in 2020:

Adam Kyle Deal:	Interventional Radiology, Emory
Victor Fong:	Mammography, UCSF
Daniel Ortiz:	Musculoskeletal, University of CA, San Diego
James Reese:	Neuroradiology, Emory

Fellowships otherwise completed by our other residency graduates since 2000 have included:

Duke (8 residents); EVMS/SLH (5 residents); UVA (4 residents); Mayo Clinic (2 residents); Wake Forest (2 residents); Univ. of Florida MSK (2 residents); Univ. of Utah Neuro (2 residents); Harvard Mass. General Hospital (2 residents); Univ. of Arizona (2 residents); Emory Univ. (2 residents); University of Washington, Seattle, WA (2 residents); University of Miami, FL; University of Florida Neuro; Thomas Jefferson, Philadelphia; Rush Medical Center, Chicago; Univ. of Chicago; Univ. of California at San Diego; Dotter Institute of IR, Oregon HS Univ.; University of Illinois; Univ. of Texas MD Anderson; Cincinnati Children's Hospital; CHOP; Mallinckrodt Institute of Radiology, Washington Univ., St. Louis; Cleveland Clinic; Columbia Univ.; Univ. of Pittsburgh; Cedars Sinai, Los Angeles; UNC Chapel Hill; Harvard Boston Children's Hospital; Indiana U; USC, Los Angeles, CA; and Georgetown.

CONCLUSION:

As you can see, despite the many challenges and restrictions imposed on all by the COVID-19 pandemic, our Radiology teaching faculty and residents alike have continued to work hard and successfully achieve our priorities of providing excellent patient care, learning, teaching, leadership and scholarly activity. I am so proud of how our team has adapted and shown resilience while persevering through all the challenges in the pandemic and continuing to work effectively through it all, maintaining our ongoing commitment to service, collegiality, morale, and mission—way to go, radiologists!

All of the research, leadership roles, and awards noted above help spread the respect, reputation, and name recognition of EVMC and our affiliated hospitals/practices beyond Coastal Virginia to the rest of the state, region, and nation, a major priority of our Medical Center.

Everything above is in addition to, above and beyond, and complementary to the top notch, excellent quality patient care and clinical service provided by our attending radiologists and residents every day and night of the year, 24/7/365. And also in addition to the tremendous ongoing leadership and management provided by radiologists (not included above) for our physician practices, hospital radiology departments, and various subspecialty modalities, as well as our radiologists' participation in dozens of interdisciplinary conferences and committees such as the various tumor boards and clinical specialty conferences.

The EVMS Radiology Department and our Residency owe continued success to the hard work and support of many people and multiple institutions, especially: MCR, Sentara/SNGH, EVMS, Bon Secours Mercy/MVH, CHKD, our Residents, and our Alumni. Thank you!

Congratulations to the Radiology Residents and Teaching Faculty for another very successful year! Here's to an even better year to come!

Best wishes to each of you,

Lester S. Johnson, MD, PhD, FACR
Professor, Residency Program Director, and Chair
Department of Radiology
Eastern Virginia Medical School
